### 1. INTRODUCCION

Querido estudiante: Reciba un cariñoso saludo y deseando que te encuentres muy bien.

En esta guía se pretende socializar los conocimientos e incorporar significados y palabras del idioma extranjero a su competencia léxica. Y actuar de forma concordante con instrucciones simples otorgadas en lengua extranjera, referidas a las actividades del aula y de la vida cotidiana. Es muy útil propiciar en el aula la capacidad de ir pronunciando palabras y frases que cada día vas incorporando a tu vida cotidiana. Iniciarás con la fase de concienciación y explicación del tema, luego realizarás el planteamiento de actividades teniendo en cuenta las competencias interpretativa, argumentativa y propositiva.

Para el desarrollo de esta guía de aprendizaje te recomiendo tener presente los siguientes recursos: Cuaderno de inglés, una regla, diccionario para consultar, lápices y colores.

Listo, vamos a empezar nuestro viaje Listo, vamos a empezar nuestro viaje mágico por el mundo del conocimiento ¡Bienvenido!

**Propósito de aprendizaje:** Utiliza correctamente pronombres posesivos reconoce la comida típica de su región, construye textos sobre celebraciones y festividades.
