### Best Friends

Hi, I'm Julie and my best friend is Hanna, we are always together. We are both 13 years old and we are in the same class. Hanna lives in the same street as me and we like to spend our free time together. When we have a break in school we sometimes play skipping and sometimes we just sit and chat. We always walk home together and talk about our homework. When I am doing my homework and I don't understand a question, I often call Hanna for help and we do it together. After we have finished our homework we always chat on the computer before we go to bed. We never go to sleep without speaking.

At the weekends, we usually go to the mall, Hanna always wants to go shopping but I often like to do other things, like skating or going to the cinema. We plan our day together and rarely disagree. She often sleeps over on Saturdays, we watch TV or a film together and we usually eat popcorn or sometimes we have a pizza.

We both like to wear casual clothes, jeans and t-shirts, and sometimes we swap clothes. If I want to wear some jeans, I often borrow a t-shirt from Hanna because she has some cool clothes. She never complains and she often borrows my caps.

Hanna has a little brother, Charlie who is nine years old. Sometime he can be annoying and he takes her things without asking her. I don't have any brothers or sisters so Hanna is like my sister. Our parents often say we are like twins as we are so alike.
