Frank Lynam, the television star, talks about what he ate yesterday.

"I have to get up at 4:00 a.m. every day because I am on a morning television show. Before I left home yesterday, I had a lot of bananas and apples. It's a long time before lunch so I have to eat a lot when I get up. If I don't, I feel very hungry later. I never drink tea or coffee.

Last month, I decided not to eat any more red meat and I never eat sweet food now, either. When I was younger, I ate a lot of chocolate and cakes. When I first stopped eating sugar, I had headaches. My doctor told me to eat olives and brown rice to help the pain go away.

Yesterday, I went home at about 12:30 and had fish for lunch. I usually eat a lot of fish. I was filming all afternoon so I took some snacks and yogurt with me.

I had a cheese sandwich and a glass of milk at home before I went out to play tennis. My late dinner was more fish with rice and salad; I drank some water with it. It is important for me to eat well."
