Dear Francesca,

I arrived in Liverpool two days ago and I just met my roommates. I have three roommates. Bill is from Switzerland; he is tall and heavy; he has got hazel eyes. He is friendly and outgoing. Suzanne is gorgeous; she is from Cape Verde so she speaks Portuguese and English quite well. She seems to have a strong personality; I think we will get along well. Felipe comes from Peru. He is short, thin and athletic. He loves sports, especially rugby. He is reserved so he doesn't talk much.

I am so excited because tomorrow we are going to the Beatles museum. I hope you are having a great time in The Bahamas. Tell me about all what you've done there.

Love,
Arnold
